Assistant Commissioner for Patents  
Washington, D.C. 20231Interview Summary

Applicant would like to thank the Examining Attorney for participating in the interview. Pursuant to the Examining Attorney's request the following briefly summarizes the 9:30 a.m. interview of July 8, 2004. Applicant's Attorney and Examining Attorney discussed the outstanding Office Action dated April 16, 2004. Specifically Applicant's Attorney addressed the Examining Attorney's rejection of Claims 1-56 and 58-60 in light of Lamuraglia (WO 01/24825 A2). The Examining Attorney requested that Applicant provide more information to support the statement that there is a distinct change in the blood absorption of light near 610nm. In response to the Examining Attorney's request, Applicant submits herewith its response to the outstanding Office Action.

Respectfully submitted,

By:
